FEDERAL BUREAU OF INVESTIGATION

Date of entry 07/18/2022

[REDACTED] On June 22, 2022, Federal Bureau of Investigation (FBI) Washington Field Office (WFO) executed a search warrant of captioned subject HATCHET SPEED's storage unit located at 4551 Eisenhower Avenue, Unit #778, Alexandria, Virginia 22304. The sealed search warrant (Case No. 1:22-SW-347) was signed and issued via the United States District Court for the Eastern District of Virginia by U.S. Magistrate Judge Theresa C. Buchanan on June 17, 2022.

[REDACTED] Additionally, on June 22, 2022 SPEED was arrested in McLean, VA by FBI WFO SWAT (*see reference serials 154 and 176*) and charged with (*see referenced serial 156*):

1. 18 USC 1752(a)(1) – Entering and Remaining in a Restricted Building or Grounds
2. 18 USC 1752(a)(2) – Disorderly and Disruptive Conduct in a Restricted Building or Grounds
3. 40 USC 5104(e)(2)(D) – Disorderly Conduct in a Capitol Building
4. 40 USC 5104(e)(2)(G) – Parading, Demonstrating, or Picketing in a Capitol Building

[REDACTED] Upon confirmation that SPEED was in custody, Special Agent Christon Turner with the FBI notified CTOC of the initiation of the planned search warrant execution for SPEED's storage unit (#778). As a precautionary public safety measure, Alexandria Police Department swept the storage facility of all customers and employees. Alexandria Police officers then staged at the requested traffic control positions along the south side of the property:

1. Main entry gate – south side of property
2. Sidewalk - Southwest corner of property
3. Sidewalk - Southeast corner of property

[REDACTED] Once the storage facility was cleared and Alexandria police officers maintained a cordon of the property, Special Agent Bomb Tech (SABT) Team Leader Aiden Garcia, SABT James Hughes, and SABT Mikel Wier prepared to initiate entry into storage unit #778. SABT Garcia subsequently made entry into the targeted storage unit at approximately 1225 hours. SABT Garcia assessed the storage unit after entering and did not identify any explosive device or hazard. SABT Garcia advised the same to SA Turner and on scene commander SSA David Gottlieb. SA Turner then contacted Sgt. Taylor and advised that the precautionary cordon could be released.

[REDACTED] At approximately 1253 hours, SA Turner contacted the designated Search Team Leader, SA Bethany McNamara, to advise that she and the search team could proceed to the storage unit from the staging location. The search team roster consisted of the following personnel with the respective initial assignments:
